

## Notes of parents coffee morning 4

25<sup>th</sup> June 2009

Notes – Theme - review of the year	Action
<ul style="list-style-type: none"> <li>• TL reviewed the notes of the last meeting and commented on the progress made since the last meeting. Transition is now under way and some of the parents said that their children had enjoyed meeting their new teacher.</li> <li>• 2 parents have agreed to make a new set of Nativity costumes</li> <li>• We discussed again the fact that clubs tend to be run on Tuesdays or Wednesdays – It was agreed that we would look into running clubs on different days but this can be difficult.</li> </ul>	
<ul style="list-style-type: none"> <li>• We discussed the forthcoming changes in management in terms 1&amp;2. TL commented that the parents would notice very little difference in how the school would run and they would still be welcome to see her at any time. We also noted that Mrs Hulm would be acting deputy for the same period of time.</li> </ul>	
<ul style="list-style-type: none"> <li>• TL reminded the parents about the proposed development of the outdoor area at BHIS. Parents were asked if any of them would like to be involved in the Play Committee which will include representatives from all groups within the school. The committee will lead, with the support of the LA play advisor, the proposed changes to our outdoor play environment. Kindly the following parents volunteered – John Douglas, Genny Richens, Chris Evans, Claire Woodland. This is an exciting project that we anticipate taking many years to complete.</li> </ul>	
<ul style="list-style-type: none"> <li>• TL requested the support of the parents about the use of balls in the playground before school. Children playing football can be dangerous with so many small children and buggies in the playground so TL asked if parents could stop any ball games they see happening in the playground before school.</li> </ul>	
<ul style="list-style-type: none"> <li>• We discussed how the coffee mornings have gone this year. All the parents who attended said the coffee mornings had been very useful. The feeling was, that the parents had the opportunity to discuss issues and liked the fact that information was given.</li> <li>• It was noted that parents who work full time find attending the meetings difficult. The day and time that the coffee mornings were held was discussed and the need to use the hall and when the deputy headteacher was available influenced this. We discussed holding meetings afterschool but then children would around.</li> <li>• It was decided that parents would put reminders of the meetings on white boards outside the classrooms a few day before each meeting, to encourage participation.</li> </ul>	
<ul style="list-style-type: none"> <li>• A representative from the Friends of School asked for support for the summer fair on 4<sup>th</sup> July – anyone able to help please contact a member of the friends.</li> </ul>
