Bromley Heath Infant School

7 November 2008

Dear Parents

Welcome back to school and to the start of Term 2.

The good news is that the replacement of the windows at the front of the school is on schedule for completion early next week. I am sure that you will agree that there will be a considerable improvement to the appearance of the school and we shall notice that it will feel warmer in the hall and dining area.

Staffing news

We are delighted that Mrs Oxenham is fit and well and that she has returned to school and working with the children in Year 2.

Harvest Aid

Thank you for your support in donating food items and to the Year 2 children who organised the sale. It was a wonderful opportunity for the children to be involved in planning, organising and promoting a fund raising event. The sum of £106 was raised and the children decided on 2 donkeys and 1 goat to be purchased to benefit people in Ethiopia.

Recording the Year 1 and Year 2 Christmas play

Do you know of a person/company who would record our Christmas play during a rehearsal? We would like to have a good recording that could be copied and then available for sale to parents. Please contact Mrs Long if you can recommend someone.

Shoe box collection

Well done many shoe boxes have been collected already and the organisers have asked me to convey their thanks to you for your generosity and thoughtfulness.

It's that time of year again!

We shall be needing supplies of tissues in each classroom and would welcome donations - perhaps if you receive a "buy one get one free" offer or "3 for the price of 2" deal you would consider giving a box to your child's teacher.

Children in Need

We shall be supporting this worthy cause next week and Mrs Park will coordinate our contribution on Friday 14 November.

Yellow Pages directories

In excess of 350 were collected for recycling and the word spread throughout the Bromley Heath community that residents could bring their Yellow Pages to our school. Well done everyone!

Parking near school

I would ask parents to consider the residents position regarding access to their driveway when parking. As adults we are role models to the children and we should demonstrate consideration of others and thoughtfulness at all times.

Future events - dates for your diary
