Friday 18 th March	Family Barn Dance Joint Event with Junior School
Friday 1 st April	Mothers Day Flowers More information to follow
Wednesday 6 th April	Easter Event More information to follow

The support that we receive when organising events for children is fantastic and for this we are most grateful. We would now like to ask all parents to provide feedback on adult events that they would like us to organise in the future. I have attached a form which details suggestions that have been made and would ask you to please comment on the events or simply add your own feedback which will enable us to plan events that will hopefully be supported in the future.

In 2010 we received fantastic support and following the Christmas Bizarre which raised over £1100, we have been able to donate almost £3,000 to the school since September. A huge thank you to everyone who has helped organise, run and support the events that have been a great success. I have listed below the resources that the money will be funding which will benefit all of our children.

4 Digital Cameras for Year Groups 1 & 2 (Reception classes have already been renewed)
Web Cam for an exciting project that our children will simply love
Art Storage & Resource
Sand & Water Play Resources
Paint Dryers
New Playground Pathway Design

We have gratefully received a cheque of £380.00 which has been kindly donated by Bunzl Catering Supplies who are the Employer of Ellie's mum in Leopard Class. If you work for an organisation that donate money to local charities please recommend our School charity who will be pleased to provide any information required.

If you would like to be more involved in the Friends of School, please come along to our next meeting which is scheduled for 22nd March.
