

Bromley Heath Infant School

Our Rules for staying safe on the Internet

*The Internet helps us to learn but we need to be safe online.
Here are our rules for using the Internet in school.*

- We agree to follow our Internet Safety rules whenever we go online in school.
- We will only use the website that our teacher tells us to.
- We will only click on a button when we understand what it does.
- We will ask a grownup for help if we get lost on a website.
- We will tell a grownup if we come across something that makes us feel uncomfortable.
- We will only search the Internet using a child-friendly search engine that our teacher tells us about.
- We will not give out personal information to anyone online.

*Following our Internet rules will keep us safe online.
We understand that a consequence of not following the rules is that we will not be able to use the Internet in school.*
