

Bromley Heath Infant School
Parent Coffee Meeting
Friday 24th November 2017

Meeting 2	
NOTES	ACTION
Tina welcomed Linda Russe, our Co- Chair of Governors to the meeting.	
Parents were informed of the decision for children to wear PE clothes to school, including their school jumper on PE days after the Christmas holiday. Children will be allowed to wear any trainers for this first trial period and then if it is successful to wear plain white or black from September 2018	
Mrs Long shared with parents the Norovirus procedures and informed them that reminders about sickness and hand washing protocols would be discussed in class and sent home.	
Mrs Long discussed with parents that as the school budget is so tight Parent Helpers would be invited to pay a voluntary £15 contribution for the Parent Helper DBS Check. It was commented that this could be a one off fee which would last for three years for a parent who continued to help throughout the three years.	
Mrs Long shared with parents that the school has received extra funding for Forest School so this would continue for this year for all Year 1 pupils. Mrs Warren and Mrs Allen are currently being trained so we will be able to continue to run this opportunity for the children next year.	
It was suggested that each class could nominate a parent to put on the Facebook Page a reminder of what needs to be sent in or completed each week.	
It was discussed in the meeting that if there was a change with which adults were to collect a child then a safe word would be needed to help keep pupils safe. The list of safe words would be kept in the office to ensure key protocols would be kept.	
Next meeting: Monday 22 nd January at 9.30am
