

ART

We will be developing our painting skills, looking at the use of colour, pattern and line to make fireworks, diva lamps and poppies. We will also be sewing.

Wow event

We will start our topic with a forest day, where we will go into the woods, foraging for wood ready to build a fire to toast our marshmallows on.

Time to shine

We will be impressing you all with our Christmas production on 11th December at 6.30pm and 12th December at 9.30am
We will have lots of wonderful songs to share with you.

PE

Gymnastics and Dance
We will be beginning to link simple movements together. We will also be performing dances using simple patterns and movements

History

During Remembrance day we will be thinking about World War 1 and 2, as well as a range of other significant events from the past and the story behind Bonfire Night.

Let's Celebrate! The Stickman by Julia Donaldson

RE

How and why do we celebrate special and sacred times?
We will be looking at why we celebrate special events in our own lives, such as birthdays, then think about a range of festivals including Diwali.

Computing

We will learn how to create and debug simple programs, using the Bluebots and computers.

Maths

We will continue to consolidate our understanding of number, the counting system, one more/one less and number bonds. We will work on our understanding of place value in two – digit numbers. We will also be thinking about 2d & 3d shapes and their properties.

English

We are looking at stories with pattern, a range of poems and stories from other cultures. We will also look at other books written by the author Julia Donaldson.
We will be learning about adjectives and using 'and' to join words and sentences. Recapping all punctuation including question marks and exclamation marks.

Science

Identify, name, draw and label basic parts of the human body and which part of the body is associated with each sense.
