Aims & Objectives

We aim to provide a high quality After School Club that meets the needs of both parents and children. For parents, this means knowing that your child is safe and happy in a club that is reliable and offers a consistent service.

For a child this means an environment that is safe, supportive and encouraging. It is a place to be with friends and make new ones. To be able to try out new activities, to relax, to have fun and enjoy.

At the After School Club we believe all children have the right to play. Play is the basis to providing healthy development and the well being of individuals. The club will provide a balanced structure of activities and play experiences.

Accident and Emergency Procedures

If your child has an accident at the After School Club we will endeavour to contact you as soon as possible. If emergency treatment is required one member of staff will accompany your child to the hospital. You will be asked to meet the member of staff at the hospital. All accidents that result in hospitalisation are recorded electronically in school and passed onto the Local Authority.

Sick Child Policy

Parents must inform the After School Club Supervisor if your child has any known medical condition or health problem, or has been in contact with infectious diseases. Parents must comply with the exclusion guidelines in operation at the school, and children must not be brought to the After School Club if unwell. Your child's welfare is our main concern and in the interests of the remaining children, if in the opinion of the staff a child is ill, then the parent/carer will be contacted to collect their child as soon as possible. The staff must be happy that the child is fully recovered before he/she is allowed to return.

Infectious & Communicable Diseases

It is our policy to promote good health and hygiene for all children in our care. This includes monitoring the children for signs and symptoms of communicable diseases such as chickenpox, measles, rubella, diarrhoea, vomiting and fevers of 101 deg F or 38 deg C or over.

Parents Authority

Parents authorise the After School Club to take all necessary action to safeguard and promote the welfare of the child.

Parental Support

Parents are expected to give their support and encouragement to the aims of the After School Club and ensure that appropriate standards of punctuality, behaviour, discipline and hygiene are maintained.

Loss of Property

The After School Club will not be liable for loss of property brought onto the premises by parents and/or children attending the Club.
