Notes		Actions
<ul style="list-style-type: none"> Feedback from previous meeting. EYFS parents have commented that they are finding it difficult collecting children from Giraffe base due to the amount of people around also collecting children on the other side of the school is difficult. We will now revert to the old system when children will be released to their adults from a few minutes before the bell. The PE days uniform will continue in September – a track suit will be sourced for later in the year. The school office does contact 2nd and 3rd contacts within a short period of time when sending children home. If parents are finding that this is not the case then please contact the office directly. 		
<ul style="list-style-type: none"> Y2 Parents asked a range of questions regarding the PE enrichment morning, which was cancelled due to a mix up with dates in the junior school. It will not be rearranged as there are too many other things going on in school so we cannot fit it in. 		
<ul style="list-style-type: none"> Y2 asked if communication regarding the date for the Festival of Youth Sport could be indicated earlier to enable them to book holiday or organise participation. Also they asked if chairs and gazebos could be taken to the olympiad on Thurs. Parents were informed that the school does not have a gazebo but they were welcome to take on as a sunshade if the weather forecast indicated a very hot day. The children's snack and drinks are already taken. They also mentioned that it would be nice to know if the children who attend sports activities with parents, representing the school either had an adult from school or a nominated parent to help organise the children on the day. 		TL to speak to LW PE leader
<ul style="list-style-type: none"> Y2 asked for specific details about the Y2 graduation on the 18th July to enable parents to book leave. 		TL to speak to Y2 teachers
<ul style="list-style-type: none"> Fitbits in school – Y2 parents would like to know the school policy on this. It was noted that the school council were deciding our policy and we had not yet had a meeting. Parents will be informed once this has been made. 		TL to speak to the school council.
<ul style="list-style-type: none"> Fencing – some of the parents with JS children expressed their concern over the temporary fence around the lazy lawn as the children were unable to see what was happening during the JS sports day. The council was informed that there was a proposed fence and it should be fitted by the beginning of the next academic school year. They were concerned over the lack of access to the field for the children. 		
<ul style="list-style-type: none"> Parking – it was noted that some parents are using the incorrect carpark in the Sandringham and parking on double yellow lines on the corner of Sandringham Ave. TL agreed to write to parent about this and put it in the next newsletter. 		TL to write to parents.
<ul style="list-style-type: none"> Next meeting - TBC during the next academic year.
