

### PSHE

We will be looking at Changes and New beginnings, exploring how to create a learning environment that helps us to learn in a happy and safe way. We will explore how to manage feelings in class.

### Wow!

We will take part in a whole school walk around Downend and have a class trip to We The Curious in October.

### Time to shine

Please come to look through our books and see the wonderful learning we have done this term.

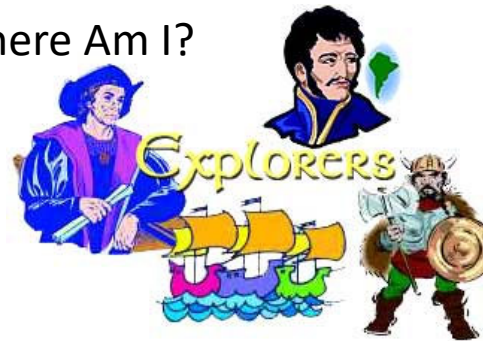

### PE

We will be developing our throwing and catching skills using a variety of small apparatus.

### Maths

We will extend our understanding of place value and number bonds. We will continue to develop our number skills using addition, subtraction, multiplication and division.

### Where Am I?

### Geography

We will be learning about the geographical features in our locality and using the correct terminology to name them. We will be developing our map work skills by looking at maps and creating our own versions.

### Computing

We will learn how to use technology safely and respectfully. We will look at knowing where to go for help when we feel unsafe.

### History

We will be looking at famous explorers from history and the present day and learning about their achievements.

### English

We will be looking at a range of fiction and non-fiction texts and using these as a basis for developing our own writing. We will be developing our research skills to find out about famous explorers and produce informative texts. Our key text this term will be The Jolly Postman. Through this we will be exploring the features of traditional tales.

### Art

This term we will be developing our drawing and painting skills.

### Music

Recorders – We will continue to learn new songs and notes on our recorders, as well as revisiting the classics!
