

PSHE

We will be looking at relationships, how we get on with others and how to express our feelings. We will be talking about the difference between secrets and nice surprises and the importance of not keeping a secret if it makes us feel uncomfortable or worried.

Wow!

We will be enjoying an investigative workshop based on properties of materials at Aerospace Bristol on 10th January.

Time to shine

Please come and share our learning at our BHIS Expo 2018 on Thursday 14th February at 2:45pm.

PE

We will be developing our dance skills, working with a partner to create a routine.

Maths

We will be learning about fractions and equivalents. We will be practicing simple addition and subtraction involving money and learning to tell the time.

CRACKING IDEAS[®]

Science

We will be investigating the properties of materials and their suitability for different uses. We will have Science Week starting 20th January.

RE

We will be learning about Muslims and what they believe.

Computing

We will be collecting information and creating charts and graphs. We will be exploring branching databases and learning how to save and retrieve data.

English

We will be looking at our new exciting key text, The Tin Forest and creating our own plot, character and settings in narrative. We will be looking at the 'wr' sound when it is used at the beginning of words and continuing to learn and apply our spelling rules. In guided reading, we will be developing our fluency and showing expression by following the punctuation.

DT

This term we will be building vehicles and structures, exploring how they can be made stronger, stiffer and more stable.

Music

We will be learning to play recorders, developing our skills and deepening our knowledge of the interrelated dimensions of music.
