15th INSET Training
Day for teachers—
children not in school

15th END of TERM

25th—TERM 4 Starts
back to school for chil-
dren

Wishing you a happy Christmas break

It has been another very busy term and the children have had a wonderful time; preparing for their Christmas productions and enjoying the Christmas activities that the teachers have planned for them. Despite all of the excitement the children have taken time to think about the true meaning of the Christmas Story.

I am sure you will join me in saying well done to all of the children for their excellent acting, singing and dancing in their Christmas performances of 'What a Star' and 'Tinsel and Tea-towels'. I particularly liked the solos

The Christmas cards are ready .

this year. The standard was brilliant once again and I am sure that there will be a Y1 or Y2 child who does win an Oscar one day!

I would also like to thank the Friends of School who provided coffee and biscuits for the morning productions.

We also raised £456.41 for Bristol Children's Hospital from our exit collections. Thank you so much for your generosity.

The Staff and I would like to wish you and your family a very Merry Christmas and a Happy New Year and we look forward to seeing you again in 2019.

Christmas Activities

I would like to say a huge thank you to our lunch break supervisors who made the children's Christmas lunch so special on the 4th Dec. They decorated the hall, organised colouring and a film to make the hall magical while children waited for their lunch. The teachers joined the festivities and

helped serve the children their lunch. The lunch break supervisors also arranged for a special visit from Santa which the children enjoyed. I am sure they enjoyed their candy stick too.

The Y2 children have had the opportunity to sing at 2 events on the run up to Christmas. One group of

children sang Christmas songs to the residents of the Avonmere Nursing home on Badminton Road.

The children enjoyed talking to the residents about Christmas and their singing. A second group of children performed for the parents at the parent helper tea party as a thank you for their help this year.

News from the Governors of BHIS

Year one have been making calendars

It's been a really busy term for all the staff and children at BHIS.

The Governing body have been in school watching special assemblies, attending staff meetings, carrying out learning walks and attending governors' meetings. We are so lucky to be able to regularly talk to the children to find out what they enjoy at school and ask their opinions.

We would like to take this opportunity, on behalf of the Governors, to thank all of the staff for their incredible hard work and dedication to the children and families of BHIS. Because of this, the children have settled in really well and are always excited to tell us about they have been doing in school. Wishing you all well for the Christmas

break and looking forward to seeing you at school in 2019. Parent Governors are often around in the playground before and after school, if you would like to talk to them. Our Parent Governors are as follows..

- Sara Say**—James' mum
- Helene Sutton**—Chloe and Joe's mum
- Louise Webb**—Martha's mum

The Explorer children have been enjoying making Christmas decorations.

The Stockings are waiting for Santa to fill.

School Values

We promote our school values in assemblies, lessons and in our expectations of the children. We have worked on **Respect** and **Kindness** in terms 1&2 and will be focusing on

INDEPENDENCE

in term 3. The children will be encouraged to be independent and try to do things for themselves. You could support this

at home by encouraging your child to be independent at home. We will be linking independence to our Secrets of Successful Learning Bears and celebrating children who have challenged themselves.

We will be linking independence to the fundamental British Value of '**Individual Liberty**' and we will talk to the children about individual choices.

E Safety

I am sure that lots of children will receive new electronic devices for Christmas. Which I am sure they will enjoy. I would like to remind you to set the parental controls at a high enough setting to ensure your children stay safe on line.

The website below has lots of ideas about how to develop your child's awareness of internet safety.

Parent coffee updates

During our last parent coffee meeting I was asked to remind parents about..

The one way system around the school in the mornings. We ask all parents to use the double gates on the right hand side of the school for drop off in the morning. You can then either return using the double gates or continue around past Giraffe base to leave the playground by the single gate on the left hand side of the school. This avoids congestion around Giraffe base door.

Parking at the Sandringham Pub. Please do not use the small carpark on the left hand side of the building. This needs to be kept clear for deliveries. Please use the large carpark on the right hand side of the pub. If this courtesy is not adhered to the landlord will not allow us to use the carpark and they may put up barriers.
