

Coronavirus Update 3 March 19th

Dear Parents and Carers

As you are aware, the Government has decided to close schools from end of school tomorrow (Friday 20th March) except for children of key workers and vulnerable children.

We are expecting guidance from Government later today defining exactly what constitutes a 'key worker' but expect the list to include;

- Medical professionals including doctors, nurses, midwives, paramedics etc.
- Other health workers - such as employment in a medical/health setting
- Community safety - police force and fire brigade
- Education - teachers, workers in a school or a pre-school setting
- Supermarket workers
- Delivery drivers

South Gloucestershire Education Department will also be meeting to plan and provide guidance later today and I will let you know any information as soon as I can.

To help me start to plan could I ask parents to email school if you work in any of the areas listed above and provide the following information.

Child/ren's Name and Year Group	
Parent/s affected name	
Profession	
Hours worked (if possible and known)	

Information regarding supporting your child at home next week will be emailed tomorrow.

I will update you with further information as soon as we receive it.

Thank you again for your support in these uncertain and quickly changing times.

Kind regards

Tina Long and staff at BHI
