

Friday 30th April

Dear Parents and Carers,

We have had a super second week learning about how we can be fantastic Understand Others Bears. We talked about recognising that we all have different strengths and that we can help the children in our class to be Keep On Going Bears when things are tricky. Many of the children have been able to think of encouraging phrases they can use to help others when the learning is difficult.

The winners of our Fantastic Friday Feedback for showing brilliant behaviour this week are:

Giraffe Class	Zebra Class	Penguin Class	Lion Class	Leopard Class	Dolphin Class
Oscar	Nancy	Poppy	Minnie	Lois	Mya

These are the children who have been trying to be the best they can be this week:

Happy Birthday Bromley Heath Infants

We have enjoyed a week with lots of work around celebrating our school's 60th birthday. The children have shown a real delight in looking at the pictures and finding out about ex pupils' memories of their time at our school. It was lovely for the children to find out that past pupils also enjoyed their time here. Many thanks to all of you who were able to send in any information.

Thursday morning saw one of our special events. Socially distanced, we all collected onto the school field to create our birthday message to the school. It was so lovely for us to see the whole school together and the children's excitement on seeing the drone. (I am sorry, I think it might become the next wish on their birthday list!)

Today the exciting activities have continued. The children were able to watch a special video message from Andy (from Andy's Safari adventures) wishing us a happy birthday and enjoy some cake before some fun time with their friends. Please click on the link to see our special message from Andy. <https://youtu.be/KumsYNQIN0s>

We have had a great week and the events today have created a great start to the holiday weekend for us all.
