

Mrs Perry-Hodge's weekly update

This week, we are so proud of our school of 'Imagine Bears'. In year one and two, the children have been working hard writing, editing and publishing their stories (based on 'The Way Home' and 'The Tin Forest') ahead of Time to Shine with families this afternoon. We hope you enjoy the books they have made. Year one have also enjoyed making puppets, theatres and lego sets to retell their stories to an audience. In year two, Dolphins have loved making their wheelbarrows, complete with axels, working wheels and washers. Impressive and individual products were created. Both classes have evaluated their finished products with pride.

In EYFS, the children have also been acting out stories; making and creating puppet characters for their stories; building their settings and painting the settings or characters. They have also been applying shape learning, creating colourful collages by cutting and sticking different shapes into bold designs and by drawing houses using shapes they have learnt about. The EYFS Friday drawing club gives the children an opportunity to create a drawing step by step and practise sketching skills. This afternoon, they are drawing zebras and giraffes!

On Tuesday, it is Safer Internet Day. As part of our computing scheme, we revisit e-safety with each new unit, but on Tuesday will complete some additional activities in class to support children's safe use of the internet. This link takes you to a parents and carers page that has tips, advice, guides and resources to help you with this at home, including reference to different devices, such as tablets, smart speakers and games consoles.

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and worked hard to be 'the best that they can be'. A huge well done and thank you to -

Harry R (Dolphins)

James (Leopards)

Coen (Lions)

Emma (Penguins)

Cameron (Zebra)

Aurora (Giraffe)

The following children have been recognised as having been working especially hard this week to be **'the best that we can be'**. Our Bromley Bears support children in developing personal attributes and skills, with the aim of making successful lifelong learners.

<u>Giraffe class</u>	<u>Zebra class</u>	<u>Penguin class</u>	<u>Lion class</u>	<u>Leopard class</u>	<u>Dolphin class</u>

Some families may find the below information about (free) webinars from the school nursing service helpful - either for their children at BHI or siblings.

Practical and informative online sessions from your expert team of local School Health Nurses.

Our webinars lasts between 30 and 45 minutes, with the opportunity to ask questions throughout. They're suitable for parents and carers of children and young people of all ages.

Topics include:

- Keeping your child happy and healthy
- Healthy eating and physical activity
- Supporting your child's emotional wellbeing
- Eating disorder awareness
- Dental health
- Sleep

AFTER SCHOOL CLUBS THIS TERM

Our art club, run by local artist Catherine Williams, has continued to prove popular. Even the school staff have had a lesson! The club will take place on Mondays (starting on Monday 27th February and ending on Monday 27th March) for children in year one and two.

The cost for the club is £5 a session so £25 for the term (this cost includes all materials) as there will be five sessions because of the INSET on Monday 20th Feb). There will be a maximum of 15 children for this club, and they will take part in a different project each week that they will complete and take home.

To book, please contact Catherine Williams using the following email catherinewilliamsprintmaker@gmail.com address or by calling 07966 328525 for details. Her website is <http://www.catherinewilliams.co.uk/the-artist/>

Fun Science After School Programme at Bromley Heath Infants Term 4 '22/'23

After half term, Fun Science will be coming to run our after school club for an hour a week after school on a Friday. The programme is open to children in years 1 & 2.

There will be a mix of bubbling potions, mini explosions, science crafts and gross science! All of our sessions are hands-on and full of lots of fun experiments!

Activities will be different to those done previously, so children are welcome to sign up again.

The cost for the 6 week programme is £42.

FRIDAY - Sessions weekly from **24th February – 31st March**.

The sessions will run for an hour after school (3:15-4:15) and will be located in a room on site at the school.

For more information about Fun Science, including our other services such as birthday parties, please visit www.fun-science.org.uk. You can email any queries to bath@fun-science.org.uk or call 07708214840.

If you would like your child/children to attend the science after school club, please book them on using the following link –

www.fun-science.org.uk/bh-term4-2023

Email bath@fun-science.org.uk or call 07708 214840 if you have any problems with the booking system.

Please note, booking is essential.

w/c 27th March	Science Week, starting with an 'Explorer Dome' visit
Friday 31st March	End T4

Holidays in term time

Please note that we are unable to authorise holidays in term time as per our policy (joint with BHJ), based on DFE and local guidance. Last year, our attendance figures were lower than previous years because of Covid-related illness absence; repeated outbreaks of chicken pox, and families going on holidays postponed due to Covid restrictions. Please do consider whether there are alternative options if booking a holiday in term time. A two week holiday will reduce your child's attendance over the year by over 5%, and below our target for each child; this results in significant loss of learning opportunities.
