Mrs Perry-Hodge's weekly update

Our EYFS went on their first school trip this week and despite the extremely rainy conditions, made the most of the experience and were amazing 'Keep Going Bears'. Back at school, they have been investigating leaves, seeds and cones which they found there. The children have also been listening to stories about Divali and drawing rangoli patterns.

Year one have all been terrific 'Imagine Bears' this week and produced some brilliant 3D paper sculptures by concertinaing, folding, overlapping and gluing paper. Like EYFS, they have also been learning about Divali and made their own diya lamps from clay. Both EYFS and Y1 also love their 'Artists Club' on Friday afternoons, with this week EYFS drawing step by step Pudseys and Y1 step by step squirrels. This club is enriching our art curriculum to support the children's sketching skills and the children love it.

Year two have enjoyed more visitors to enhance their curriculum this week. Liz from Frenchay Museum visited sharing the experience of local soldiers during WW1, with children investigating artefacts and tasting trench cake that families sent to the men at the front. Their science unit also started with a 'WOW' thanks to a visit from Jonathan's Jungle Roadshow. The children observed - and many handled - different animals, including reptiles, giving them experience of animal classification.

Today, our school was filled not with Bromley Bears but Pudsey and Blush bears raising £195 for Children In Need. A HUGE thank you to one of our school's unsung heroes, Mrs Withey, who helped our fantastic school council to make Pudsey cookies for our whole school. Our EYFS children also enjoyed decorating biscuits and of course, then eating the rewards!

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to -

Eli (Dolphins)

Noah (Leopards)

Teddy (Penguins)

Amy (Lions)

Ozzie (Zebras)

Emily (Giraffes)

The following children have been recognised as having been working especially hard this week to be **'the best that we can be'**. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.

History in Y2

In Year Two, the children have been learning about WW1 in History and this week enjoyed an interesting and interactive workshop from Frenchay Museum, including investigating artefacts from the time, listening to local stories and tasting trench cake!

Year 2

STOP MOTION
ANIMATION

Who we are

We're passionate about teaching all things techy in primary schools. Find out more about us with this QR Code. Or, visit:

<https://bristolandbath.computerexplorers.co.uk/>
(Where you will find our terms and conditions).

What we'll do

Children in Year 2 will create a stop motion film. Using cameras and specialist software (which they will also be able to access at home, to make their own films during the Christmas holidays) they will work towards a final movie that they can take home and share. We also showcase films on our YouTube channel. Animation is a multifaceted skill where children will design, create, evaluate & improve their project over the duration of the course. In addition, children will have fun developing their computing confidence, skills and technical vocab.

Getting ahead in Computing

Our parent updates will inform you of your child's progress and will include further activity suggestions to help continue their learning at home. These will be available for download from DropBox at your convenience.

We'd love to hear from you if you have any questions about ComputerXplorers please contact us on:
