Mrs Perry-Hodge's weekly update

What a lovely week to end our 'Let's Celebrate' term!

Following the dress-rehearsal to EYFS and Junior classes, our KS1 performed their production of 'Tinsel and Teatowels' with both an evening and a morning show. We were so proud of each and every individual in Lion, Penguin, Leopard and Dolphin classes: the singers, dancers, narrators, actors and stage crew really were fantastic. Many of the children showed bravery as 'Try New Things Bears', whether singing a solo or saying some lines; and all of the children were 'Concentrate Bears', remembering when their part came in and focusing despite the hall audience being very full. I hope you agree that we have some future stars of the stage in our midst! As ever, a big thank you to the team who have worked so hard to ensure that all children were the best they could be, encouraging talents and developing confidence along the way.

On Wednesday, it was lovely to welcome so many grandparents into our school. All the children sang their Christmas songs with great pride and it is fair to say that there were a number of misty eyes leaving the hall. Thank you grandparents for being such a fantastic audience; it was lovely to talk to so many of you.

Yesterday, as well as enjoying Christmas parties, a very special visitor appeared with a gift for each child: thank you to Father Christmas for fitting us into your very busy schedule! Our children were really very delighted to see you. Today, we rounded off our Christmas celebrations with some festive singing in the hall, including a lively and interactive 'Twelve Days of Christmas'. Thank you to Mrs Dickson (and baby Jasper) for visiting and leading this for us.

Please remember that school returns on Tuesday 2nd January for all children (and there is no INSET day). **Finally, from us all at BHI, we wish you all a very merry Christmas and a happy new year. See you in 2024!**

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to -

Max (Dolphins)

Dara (Leopards)

Lewis (Penguins)

Ozzie (Lions)

Millie (Zebras)

Wynter (Giraffes)

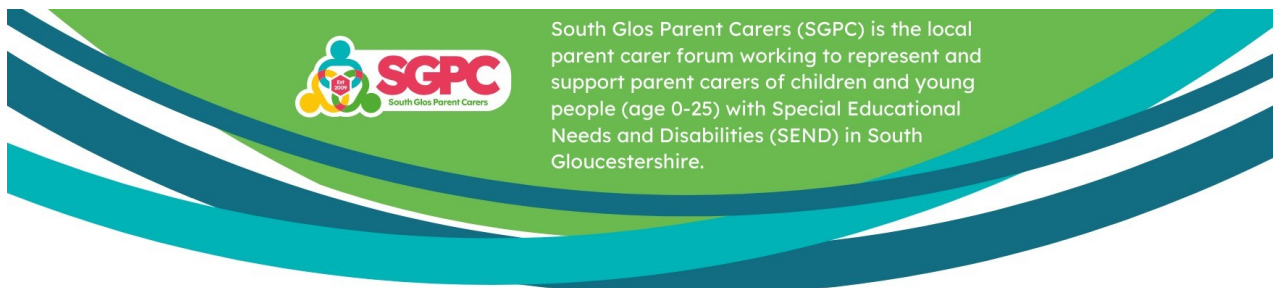

The following children have been recognised as having been working especially hard this week to be **'the best that we can be'**. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.

Start Coding! Years 1 - 2

Who we are

We're passionate about teaching all things techy in primary schools. Find out more about us with this QR Code. Or, visit:

<https://computerexplorers.co.uk/bristol-bath/>
(Where you will find our terms and conditions)

What we'll do

A fun way to get children in Years 1 - 3 into coding. They will use specialist software to enjoy learning coding skills. Beginning with simple movement commands, then progress to actions such as "when clicked" and sounds. More advanced skills such as "collision detection" and "if/else" action commands will also be covered. They will be asked to create coding scenes at the end of each session that cover skills learned in that particular session, as well as previous sessions. The final project will be a game they create that they can then show off to friends and family via a shareable link.

Getting ahead in Computing

Our parent updates will inform you of your child's progress and will include further activity suggestions to help continue their learning at home. These will be available for download from DropBox at your convenience.

To ensure you receive your parent update, please provide your email address - we won't give this to any nasty spammers, just the lovely people at ComputerXplorers.

We'd love to hear from you if you have any questions about ComputerXplorers please contact us on:
