Mrs Perry-Hodge's weekly update

It is not only beginning to look a lot like Christmas, but sound a lot like Christmas at BHI too ... yesterday, EYFS performed their dress rehearsal of 'Snuggle Up Stable' to the other classes; to Wiggly Peeps, and to some of our school governors (who were extremely impressed). KS1 were then inspired for their own dress-rehearsal of 'Tinsel and Teatowels' to EYFS later in the day and will be performing to some Junior classes next week before their production to families. Our year twos enjoyed 'Snuggle Up Stable' so much that they wrote thank you letters to the children in Zebra and Giraffe for inviting them. These included comments such as 'your singing was so clear that I bet the Junior School could hear it'; 'I loved your fantastic costumes and dancing', and 'all of it was super dooper and outstanding'.

This morning was our EYFS production of 'Snuggle Up Stable' to families and I am sure that the audience would agree with the year two reviews: it was an absolute joy. The children were amazing: they sang beautifully (including a lovely solo from Keziah) and performed each scene with huge smiles. All the children showed themselves to be brilliant 'Try New Things' bears and we were all blown away by their confident performance, whether singing, dancing or acting. Well done to every EYFS child - you have had a fantastic first term and what a way to (nearly) end it! Thank you also to the EYFS team, who have worked tirelessly rehearsing, preparing costumes and supporting the children to be the best they can be, not just today, but throughout their first term.

Finally, a polite reminder that we are a nut-free school; please do not send snacks or packed lunches that contain nuts (including chocolate spread) for the health of all the children in our care. Thank you!

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to -

Ronya (Dolphins)

Yaksh (Leopards)

Bo (Penguins)

James (Lions)

Alice (Zebras)

Charlie (Giraffes)

The following children have been recognised as having been working especially hard this week to be **'the best that we can be'**. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.

After school clubs for term three are available now to book

Sports clubs are run by Signature Sports who also work in the school with all classes and at lunchtime. This term, Signature Sports clubs are for children in year one and two. Clubs start in the second week back and will run for five weeks.

Tuesday: Rec, Year 1 & 2 = Ball games

Wednesday: Rec, Year 1 & 2 = Multi-Sports

Thursday: Rec, Year 1 & 2 = Gymnastics

Friday: Rec, Year 1 & 2 = Dance

All clubs will start week commencing Monday 8th January & finish on week commencing Monday 5th February.

All bookings can be made via our website www.signaturesportscoaching.co.uk

Our art club, run by local artist Catherine Williams, takes place on Mondays (starting on Monday 8th January with the last session on Monday 5th February) for children in year one and two and will run for five weeks.

The cost for the club is £5 a session so £25 for the term for five sessions (this cost includes all materials). There will be a maximum of 15 children for this club, and they will take part in a different project each week that they will complete and take home; these change each term.

To book, please contact Catherine Williams using the following email cathe-rinewilliamsprintmaker@gmail.com address or by calling 07966 328525 for details. Her website is <http://www.catherinewilliams.co.uk/the-artist/>

Start Coding! Years 1 - 2

Who we are

We're passionate about teaching all things techy in primary schools. Find out more about us with this QR Code. Or, visit:

<https://computerexplorers.co.uk/bristol-bath/>
(Where you will find our terms and conditions)

What we'll do

A fun way to get children in Years 1 - 3 into coding. They will use specialist software to enjoy learning coding skills. Beginning with simple movement commands, then progress to actions such as "when clicked" and sounds. More advanced skills such as "collision detection" and "if/else" action commands will also be covered. They will be asked to create coding scenes at the end of each session that cover skills learned in that particular session, as well as previous sessions. The final project will be a game they create that they can then show off to friends and family via a shareable link.

Getting ahead in Computing

Our parent updates will inform you of your child's progress and will include further activity suggestions to help continue their learning at home. These will be available for download from DropBox at your convenience.

To ensure you receive your parent update, please provide your email address - we won't give this to any nasty spammers, just the lovely people at ComputerXplorers.
