

Friday 10th May 2024

Mrs Perry-Hodge's weekly update

Our 'What's at the Bottom of the Garden?' theme continues with a high focus on science and art learning as well as delight at some sunshine!

In EYFS, the team have been very impressed by our terrific 'Imagine Bears'. Having learnt all about different mini-beasts, Giraffe and Zebra classes have used their maths knowledge to create butterflies, ladybirds or centipedes using different shapes; built bug hotels or beehives from hexagons and matched dice thrown to ladybird spots numbers. Their drawing club (developing early writing) has been based around 'The Hungry Caterpillar' this week, with the children creating brilliant creatures emerging from cocoons and into magical lands.

In year one this week, the children designed sandwiches based on the salad and breads they had tasted last week, before making them using 'garden' produce. They used kitchen implements sensibly and all enjoyed their 'giants picnic' and an extra lunch! Following reading different versions of Jack and the Beanstalk, this week they have innovated some of these ideas in their own writing, using dramatic language.

Our year two team are all very proud of the Dolphin and Leopard children who have all been brilliant 'Keep Going' and 'Concentrate Bears' when completing their reading quizzes this week. It is lovely to see the progress in children's reading confidence and how carefully they have looked for the answers to questions in the text. In science, their plant investigations continue with testing light as a variable - over the next few weeks, they will be observing the changes in this experiment.

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to -

Maia (Dolphins)

Lewis (Leopards)

Lyla (Penguins)

Freddie (Lions)

Jacob (Zebras)

Ivy (Giraffes)

The following children have been recognised as having been working especially hard this week to be **'the best that we can be'**. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.

Request from Mrs Jenkins - ASPIRATION AND ACHIEVEMENT

Over the year at Bromley Heath Infant School, we give our children many opportunities to explore their aspirations for their own futures. We are keen to encourage all children to 'dream big and aim high' and hearing about others' achievements can help with just that as well as broaden children's understanding of what they could aspire to be.

With this in mind, we are inviting guest speakers - including some of our amazing parents who we know have incredibly interesting jobs - into school to share their exciting careers with our children through assemblies or smaller groups.

If you would like to be part of our 'Aspiration and Achievement' assemblies, or know someone in a very exciting or unusual, inspirational job who would like to be involved with this, please email Janine Jenkins via our school office (school@bhinfants.org.uk). Thank you!

Support for families who may need it

Supporting emotional health and wellbeing from 0-19+

Free online courses for all parents, carers, grandparents and teens

- Antenatal and postnatal baby bonding
- Understanding your child or young person
- Your child or young person with additional needs
- Teenager's feelings and brain development

Wrap Around Care

Koala club is available for booking for all year groups - please use the Arbor app to book (if full, there will be no option to book and in this instance, please contact the school). This runs from 7:45 for breakfast and until 6pm for tea club.

After school clubs for term five are available now to book

Tuesday: Rec, Year 1 & 2 = Ball games

Wednesday: Rec, Year 1 & 2 = Multi-Sports

Thursday: Rec, Year 1 & 2 = Gymnastics

Friday: Rec, Year 1 & 2 = Dance

All bookings can be made via our website www.signaturesportscoaching.co.uk

Our Art club, run by local artist Catherine Williams, takes place on Mondays, starting 15th April, for children in year one and two, and will run for five weeks.

There will be no session on Monday 6th May as this is a bank holiday.

The cost for the club is £5 a session so £25 for the term for five sessions (this cost includes all materials).

There will be a maximum of 15 children for this club, and they will take part in a different project each week that they will complete and take home; these change each term.

To book, please contact Catherine Williams using the following email:

catherinewilliamsprintmaker@gmail.com address or by calling 07966 328525 for details.

Her website is <http://www.catherinewilliams.co.uk/the-artist/>

Robotics

@ Bromley Heath Infant School

Who we are

We're passionate about teaching all things techy in primary schools. Find out more about us with this QR Code.

Or, visit:

<https://computerexplorers.co.uk/bristol-bath/>

(Where you will find our terms and conditions).

What we'll do

Working as teams, children will improve a variety of STEM skills and discover robotics as they work with Edison Robot™ the LEGO® compatible, programmable Bot! Students will start by using barcodes to program Edison to do everything from following lines to 'battling' in the Sumo ring! Then using a special simple block program they will learn to make their robot move and even sing a simple tune!

A ton of fun AND a great introduction to basic graphical programming.

Getting ahead in Computing

Our parent updates will inform you of your child's progress and will include further activity suggestions to help continue their learning at home. These will be available for download from DropBox at your convenience.

To ensure you receive your parent update, please provide your email address.

We'd love to hear from you if you have any questions about ComputerXplorers please contact us:

☎ 07522 150592

How to Register and Pay

Please use our online payment service for this club (Easy Payments Plus), which will accept any debit or credit card.

The club runs every **Thursday** for 6 weeks **15:15 to 16:20**: 18/4, 25/4, 02/5, 09/5, 16/5, 23/5

The cost will be £54. Use the QR code above, or visit <https://computerexplorers.co.uk/bristol-bath/> and use the 'Book a Class Button'. Use Course code: CXBB2068

PLEASE ENSURE BOOKINGS ARE IN BY WEDNESDAY 27TH MARCH.

Please note that places cannot be confirmed until payment is received and that all bookings are subject to our Terms and Conditions (see website for details). Course code: CXBB2068. If we are oversubscribed more than one group may run with different dates and course number.

More after school clubs for
term five (available now to
book)

Please note that Robotics and
Fun Science are for Year 1
and Year 2 children
