

Mrs Perry-Hodge's weekly update

Our 'Look Back, Looking Forward' term has continued with the final transition sessions to new classes. Year twos enjoyed watching the dress rehearsal of the year six production and were then inspired to perform their own dress rehearsal to the school, as well as to year three and five from BHJ. It was a packed audience and so they had to be 'Challenge Yourself Bears'. Today, we also welcomed our new EYFS for a 'Teddy Bears' Picnic' and it was lovely to see so many excited faces about starting school.

Rehearsals are not the only aspect of the year two production; the children have also been applying their art skills using water colours to create waves and collage to create fish for the backdrop of the stage. In class, they have also followed step by step drawings to sketch pirates, showing great attention to detail and listening skills.

This week, our year ones have loved their computing lessons, learning to programme beebots to move and turn in different directions. Having written dragon descriptions, they drew maps for how to find them, then challenged themselves to devise a route for the beebots to follow. Great fun!

Whilst our EYFS are still developing their dinosaur knowledge, they have also focused on football this week - with a great play project creating stadiums; designing kits, and playing football games with Mrs Laraway. Following a request from children in year two, if England win on Sunday, the children (all classes) can come to school wearing their England or football T-shirts (or related colour T-shirts) to celebrate on Monday.

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for **out-standing** behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that they can be'. A huge well done and thank you to -

Elliot Ri (Dolphins)

Aoife (Leopards)

Brooke (Penguins)

Maja (Lions)

Emma (Zebras)

Esmee M
(Giraffes)

The following children have been recognised as having been working especially hard this week to be 'the best that we can be'. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.
