

Over the last two weeks, all classes have been really enjoying their art lessons. In EYFS, the children have been experimenting with different pens/ pencils and mark making. Their 'Drawing Clubs' have been inspired by *The Gingerbread Man* and *Mr Benn*, which they loved! Creative ideas abounded, including inventing unusual new animals for Mr Benn to look after and using their sounds to create the animal's name. Year one have continued their work on paper sculptures, adding details around the final piece, and in RE, they have learnt about the festivals of Eid and Hanukkah. Their 'Adventure Quests' have been based around *Paddington* and *Stickman*; we are very pleased with the progress in their writing: ask your child what their imaginations made *Stickman* into! In year two, the children created beautiful cat pictures, inspired by Paul Klee, and revisited sliders and split pins from year one to create moving pictures.

The whole school enjoyed a festive assembly from the Christchurch Assembly Team last week, telling the Christmas story using puppets. Yesterday, year one also enjoyed their visit to the scout hut for 'The Christmas Experience', with each station telling a part of the story. The sound of rehearsals and singing practice for productions is also carried throughout the school and the children are very excited to perform their plays.

Friends of School have the tea towels of the children's portraits ready to be collected after school on Monday (or if not on Friday at the fayre); they also ask that if able, parents sign up to support a stall for the fayre next Friday using this link. We are more than ever very grateful for all their hard work and efforts as our school budget is extremely challenging. <https://www.signupgenius.com/go/70A0E4AADAA2EA4F49-60661062-bromley?useFullSite=true#/>
