Model complaints procedure

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the School. Any person, including members of the public, may make a complaint to Bromley Heath Infants about any provision of facilities or services that we provide. Unless complaints are dealt with under separate statutory procedures (such as appeals relating to exclusions or admissions), we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*.

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

Initial concerns

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. Bromley Heath Infants takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

Actions Before Making Any Complaint

Our complaints procedure is not intended to replace the normal informal discussions which take place between parents, staff and the Headteacher on problems and concerns as they arise. Most issues can be resolved through this dialogue. These concerns might include such matters as your child's work or progress, relations with staff, relations with other pupils including bullying, or your child's personal welfare.

The first point of contact regarding concerns should usually be the class teacher. Appointments to see the class teacher are available both before and after school and may be made via the office. Having met with the class teacher to raise your concerns, the class teacher may need time to perform an investigation or put corrective measures in place and then determine their effectiveness. This informal stage may require several meetings to reach a conclusion satisfactory to all parties. During your appointment, discuss the desired actions for the school and parent, timescales, and any necessary further meetings.

If a parent feels that a concern has not been solved through discussions with the class teacher, or if you have difficulty discussing a concern with a particular member of staff, then an appointment to discuss it with the Headteacher should be made.

How to raise a concern or make a complaint

We understand, however, that there are occasions when people would like to raise their concerns formally. In this case, Bromley Heath Infants will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

A concern can be raised in person, in writing including email, or by telephone. A complaint must be made in writing. They may also be made by a third party acting on behalf of a complainant, as long as they have appropriate consent to do so.

Concerns should be raised with either the class teacher or Headteacher. If the issue remains unresolved, the next step is to make a formal complaint.

Complainants should not approach individual Governors to raise concerns or complaints. They have no power to act on an individual basis and it may also prevent them from considering complaints at Stage 2 of the procedure.

- Complaints against school staff (except the Headteacher) should be made in the first instance to the Headteacher via the school office in an envelope or using school@binfants.org.uk Please mark them as Private and Confidential.
- Complaints that involve or are about the Headteacher should be addressed to the Chair of Governors, via the School office to sarah.cook6@bhinfants.org.uk Please mark them as Private and Confidential.
- Complaints about the Chair of Governors, any individual Governor or the whole Governing Board should be addressed to the Clerk to the Governing Body, via the School office, in an envelope or by emailing school@binfants.org.uk. Please mark them as Private and Confidential.

For ease of use, a template complaint form is included at the end of this procedure. If you require help in completing the form, please contact the School office. You can also ask third party organisations like the Citizens Advice to help you.

In accordance with equality law, we will consider making reasonable adjustments, if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the Headteacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three calendar months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will consider complaints made outside of this time frame if exceptional circumstances apply.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

Deviation from the Complaints Procedure

There may be occasions when it is necessary or reasonable to deviate from this published procedure. If this is necessary then an explanation for doing so will be provided to all parties to the complaint.

Scope of this Complaints Procedure

This procedure covers all complaints about any provision of facilities or services by Bromley Heath Infants other than complaints that are dealt with under other statutory procedures, including those listed overleaf.

Exceptions	Who to contact
• Admissions to schools • Statutory assessments of Special Educational Needs • School re-organisation proposals	Concerns about admissions, statutory assessments of Special Educational Needs, or school re-organisation proposals should be raised with South Gloucestershire Children, Adults and Health Department.
• Matters likely to require a Child Protection Investigation	Complaints about child protection matters are handled under our child protection and safeguarding policy and in accordance with relevant statutory guidance. If you have serious concerns, you may wish to contact the local authority designated officer (LADO) who has local responsibility for safeguarding.
• Exclusion of children from school*	Further information about raising concerns about exclusion can be found at: www.gov.uk/school-discipline-exclusions/exclusions . <i>*complaints about the application of the behaviour policy can be made through the school's complaints procedure.</i>
• Whistleblowing	We have an internal whistleblowing procedure for all our employees, including temporary staff and contractors. The Secretary of State for Education is the prescribed person for matters relating to education for whistleblowers in education who do not want to raise matters direct with their employer. Referrals can be made at: www.education.gov.uk/contactus . Volunteer staff who have concerns about our school should complain through the school's complaints procedure. You may also be able to complain direct to the LA or the Department for Education (see link above), depending on the substance of your complaint.
• Staff grievances	Complaints from staff will be dealt with under the school's internal grievance procedures.
• Staff conduct	Complaints about staff will be dealt with under the School's internal disciplinary procedures, if appropriate.

	Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint. However, the complainant will be notified that the matter is being addressed.
Complaints about services provided by other providers who may use school premises or facilities	Providers should have their own complaints procedure to deal with complaints about service. Please contact them direct.
National Curriculum - content	Please contact the Department for Education at: www.education.gov.uk/contactus

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations.

If, at any stage of the complaint, it becomes apparent that the Complainant is seeking some sort of financial compensation then any investigation will be halted whilst advice is sought from the Local Authority Risk Management and Insurance Department.

If a complainant commences legal action in relation to their complaint, we will consider whether to suspend the complaints procedure in relation to their complaint until those legal proceedings have concluded.

Resolving complaints

At each stage in the procedure, Bromley Heath Infants wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation;
- an admission that the situation could have been handled differently or better;
- an assurance that we will try to ensure the event complained of will not recur;
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made;
- an undertaking to review school policies in light of the complaint;
- an apology.

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, they will be asked to confirm this in writing.

Dealing with complaints

The following procedure will be used when initial attempts to resolve a concern are unsuccessful and the person raising the concern remains dissatisfied and wishes to take the matter further.

There are 2 stages in the procedure:

- Stage 1 – Complaint could be investigated by a) the Headteacher¹ b) the Chair or Governors² or c) an independent Governor³;
- Stage 2 – Complaint investigated by a Panel of Governors.

If the complaint is:

- jointly about the Chair and Vice Chair or
- the entire Governing Board or
- the majority of the Governing Board

then Stage 1 will be considered by an independent suitably skilled /Governor³. At the conclusion of their investigation, the independent Governor/investigator will provide a formal written response.

Stage 2 will be considered by an independent Panel³, the Local Authority or Diocese.

Stage 1

Formal complaints must be made to the Headteacher (unless they are about the Headteacher), via the School office. This may be done in person, in writing (preferably on the Complaint Form), or by telephone.

The Headteacher will record the date the complaint is received and will acknowledge receipt of the complaint in writing (either by letter or email) within **5** school days.

Within this response, the Headteacher will seek to clarify the nature of the complaint, ask what remains unresolved and what outcome the complainant would like to see. The Headteacher can consider whether a face to face meeting is the most appropriate way of doing this.

During the investigation, the Headteacher (or designated investigator) will:

- if necessary, interview those involved in the matter and/or those complained of, allowing them to be accompanied if they wish;
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the Headteacher will provide a formal written response to the complainant within **15** school days of the date of receipt of the complaint.

If the Headteacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions Bromley Heath Infants will take to resolve the complaint.

The Headteacher will advise the complainant of how to escalate their complaint should they remain dissatisfied with the outcome of Stage 1.

Complaints about the Headteacher or member of the Governing Board must be made to the Clerk, via the School office.

¹ The Headteacher may delegate the investigation to another member of the school's senior leadership team, but not the decision to be taken.

² The Chair of Governors would normally investigate any complaint about the Headteacher however, there may be occasions when the Chair is not untainted by the circumstances. In these instances the Stage 1 investigation and decision will be undertaken by a suitably skilled independent governor.

³ This may be a governor(s) from another governing board.

Stage 2

If the complainant is dissatisfied with the outcome at Stage 1 and wishes to take the matter further, they can escalate the complaint to Stage 2 – a meeting with members of the Governing Board's Complaints Panel, which will be formed of three, impartial, Governors available. This is the final stage of the complaints procedure.

The complaints Panel will consist of Governors with no prior involvement or knowledge of the complaint. Prior to the meeting, they will decide amongst themselves who will act as the Chair of the Complaints Panel. If there are fewer than three Governors from Bromley Heath Infants available, the Clerk will source additional, independent Governors³ in order to make up the required number. In exceptional circumstances, an entirely independent Panel of Governors³ may be convened to hear the complaint at Stage 2.

A request to escalate to Stage 2 must be made to the Clerk to Governors, via the School office, within **15** school days of receipt of the Stage 1 response.

The Clerk to Governors will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **5** school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk⁴ will write to the complainant to inform them of the date of the Panel meeting. They will aim to convene a meeting within **20** school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed.

The Panel will decide whether to deal with the complaint by inviting the parties to separate face to face meetings or through written representations, but in making their decision they will be sensitive to the complainant's needs.

If the complainant rejects the offer of three proposed dates, without good reason, the Complaints Panel Chair will decide when to hold the meeting. It will then proceed in the complainant's absence on the basis of written submissions from both parties.

If a complaint is brought by a group of people, then it is likely that they will be asked for a representative from the group to attend the panel.

If the complainant is invited to attend a meeting, they may bring someone along to provide support. This can be a relative or friend. Those attending in a supportive role, will take part in proceedings. Generally, we do not encourage either party to bring legal representatives to the Panel meeting. However, there may be occasions when legal representation is appropriate.

For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under staff disciplinary procedures, if appropriate, but outcomes will not be shared with them.

⁴ Should the need arise the Clerk to the Governing Board may be replaced with an independent Complaints Clerk or the Clerk from another Governing Body.

Representatives from the media are not permitted to attend.

At least **10** school days before the meeting, the Clerk will:

- confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible;
- request that copies of any further written material be submitted to the Clerk at least **5** school days before the meeting.

Any written material will be circulated to all parties at least **3** school days before the date of the meeting. The Panel will not normally accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The Panel will also not review any new complaints at this stage or consider inclusion of evidence unrelated to the initial complaint. New complaints must be dealt with from Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it. Prior knowledge and consent of all parties attending must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

During the meeting the Chair of the Panel will determine which parties may be in the room together at the same time. The Panel members are likely to ask questions of those invited to attend the panel, to clarify their understanding of key points from the investigation.

Possible outcomes

The Panel will consider the complaint and all the evidence presented. The Panel can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part
- Deem the result inconclusive – it is not possible to determine whether the complaint or an element of the complaint is upheld. This is where there is not enough evidence either way e.g. where there is one word against another.

If the complaint is upheld in whole or in part, the Panel will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the School's systems or procedures to prevent similar issues in the future.

If the complaint is not upheld or is inconclusive the Panel will, where appropriate, record and make recommendations in respect of any lessons learnt or opportunities to improve.

The decision Letter

The Chair of the Panel will provide the complainant and Bromley Heath Infants with a full explanation of their decision and the reason(s) for it, in writing, within **5** school days.

The letter to the complainant will include details of how to contact the Department for Education if they are dissatisfied with the way their complaint has been handled by Bromley Heath Infants

Next Steps

If the complainant believes the School did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the Department for Education after they have completed Stage 2.

The Department for Education will not normally reinvestigate the substance of complaints or overturn any decisions made by Bromley Heath Infants. They will consider whether Bromley Heath Infants has adhered to education legislation and any statutory policies connected with the complaint.

The complainant can refer their complaint to the Department for Education online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:

Department for Education
Piccadilly Gate
Store Street
Manchester

Managing serial and unreasonable complaints

Bromley Heath Infant School is committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with our school. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

Bromley Heath Infant School defines unreasonable behaviour as that which hinders our consideration of complaints because of the frequency or nature of the complainant's contact with the school, such as, if the complainant:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance
- refuses to co-operate with the complaints investigation process
- refuses to accept that certain issues are not within the scope of the complaints procedure
- insists on the complaint being dealt with in ways which are incompatible with the complaints procedure or with good practice
- introduces trivial or irrelevant information which they expect to be taken into account and commented on
- raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced

- changes the basis of the complaint as the investigation proceeds
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed)
- refuses to accept the findings of the investigation into that complaint where the school's complaint procedure has been fully and properly implemented and completed including referral to the Department for Education
- seeks an unrealistic outcome
- makes excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with
- uses threats to intimidate
- uses abusive, offensive or discriminatory language or violence
- knowingly provides falsified information
- publishes unacceptable information on social media or other public forums.

Complainants should try to limit their communication with the school that relates to their complaint, while the complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, phone, email or text), as it could delay the outcome being reached.

Whenever possible, the headteacher or Chair of Governors will discuss any concerns with the complainant informally before applying an '*unreasonable*' marking.

If the behaviour continues, the headteacher will write to the complainant explaining that their behaviour is unreasonable and ask them to change it. For complainants who excessively contact Bromley Heath Infants, causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will be reviewed after six months.

In response to any serious incident of aggression or violence, we will immediately inform the police and communicate our actions in writing. This may include barring an individual from Bromley Heath Infant School premises.

Appendix 2 - Roles and Responsibilities

Complainant

The complainant will receive a more effective response to the complaint if they:

- explain the complaint in full as early as possible
- co-operate with the School in seeking a solution to the complaint
- respond promptly to requests for information or meetings or in agreeing the details of the complaint
- ask for assistance as needed
- treat all those involved in the complaint with respect
- refrain from publicising the details of their complaint on social media and respect confidentiality.

Principles for investigation

It is likely that there will be at least two investigators. When investigating a complaint, the investigator(s) will try to clarify:

- What has happened;
- Who was involved;
- What the complainant feels would put things right.

The investigator(s) role is to establish the facts relevant to the complaint by:

- providing a comprehensive, open, transparent and fair consideration of the complaint through:
 - where required, sensitive and thorough interviewing of the complainant to establish what has happened and who has been involved;
 - when necessary, interviewing staff and children/young people and other people relevant to the complaint;
 - consideration of records and other relevant information;
 - analysing information.

The investigator(s) should:

- conduct interviews with an open mind and be prepared to persist in the questioning;
- keep notes of interviews or arrange for an independent note taker to record minutes of the meeting;
- ensure that any papers produced during the investigation are kept securely pending any appeal;
- be mindful of the timescales to respond;
- prepare a comprehensive report that sets out the facts, identifies solutions and recommends courses of action to resolve problems.

Complaints Co-ordinator / Clerk

The complaints co-ordinator should:

- ensure that the complainant is fully updated at each stage of the procedure;
- liaise with staff members, Headteacher, Chair of Governors, Panel members and LAs (if appropriate) to ensure the smooth running of the complaints procedure;
- be aware of issues regarding:
 - sharing third party information;
 - additional support. This may be needed by complainants when making a complaint including interpretation support or where the complainant is a child or young person;
- keep records.

Clerk to the Governing Board/Complaints Panel

The Clerk is the contact point for the complainant and the Panel and should:

- ensure that all people involved in the complaint procedure are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR);
- set the date, time and venue of the meeting, ensuring that the dates are convenient to all parties (if they are invited to attend) and that the venue and proceedings are accessible;
- collate any written material relevant to the complaint (for example; stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the meeting within an agreed timescale;
- record the proceedings;
- circulate the minutes of the meeting;
- notify all parties of the Panel's decision.

Panel Chair

The Panel's Chair, who is nominated in advance of the complaint meeting, should ensure that:

- both parties are asked (via the Clerk) to provide any additional information relating to the complaint by a specified date in advance of the meeting;
- the meeting is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy;
- complainants who may not be used to speaking at such a meeting are put at ease. This is particularly important if the complainant is a child/young person;
- the remit of the Panel is explained to the complainant;
- written material is seen by everyone in attendance, provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR;
- both the complainant and the School are given the opportunity to make their case separately to the Panel and the Panel may seek clarity, either through written submissions ahead of the

meeting or verbally in the meeting itself;

- the issues are addressed;
- key findings of fact are made;
- the Panel is open-minded and acts independently;
- no member of the Panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure;
- the meeting is minuted;
- they liaise with the Clerk (and complaints co-ordinator, if the school has one).

Panel Member

Panel members should be aware that:

- the meeting must be independent and impartial, and should be seen to be so;

No Governor may sit on the Panel if they have had a prior involvement in the complaint or in the circumstances surrounding it;

- the aim of the meeting should be to resolve the complaint and achieve reconciliation between the School and the complainant;

We recognise that the complainant might not be satisfied with the outcome if the complaint does not find in their favour. It may only be possible to establish the facts and make recommendations;

- many complainants will feel nervous and inhibited in a formal setting;

Parents/carers often feel emotional when discussing an issue that affects their child;

- extra care needs to be taken when the complainant is a child/young person and present during all or part of the meeting:
 - Careful consideration of the atmosphere and proceedings should ensure that the child/young person does not feel intimidated.
 - The Panel should respect the views of the child/young person and give them equal consideration to those of adults.
 - If the child/young person is the complainant, the Panel should ask in advance if any support is needed to help them present their complaint. Where the child/young person's parent is the complainant, the Panel should give the parent the opportunity to say which parts of the meeting, if any, the child/young person needs to attend.
 - However, the parent should be advised that agreement might not always be possible if the parent wishes the child/young person to attend a part of the meeting that the Panel considers is not in the child/young person's best interests.

- the welfare of the child/young person is paramount.

Appendix 3 - Complaints Flowchart

Appendix 4 - Summary Timeline

There may be occasions when it is necessary or reasonable to deviate from this published procedure or timelines. If this is necessary then an explanation for doing so will be provided to all parties to the complaint.
