Our Vision

This is what we are aiming for for all our children

At Bromley Heath Infant School we keep children at the centre of everything we do; striving to provide inspirational teaching and provision which challenges and nurtures all of our children in their small steps, big strides, exciting journey.

“The Bromley Bears are a firmly embedded set of values that develop pupils’ understanding of how to be a successful learner. Consequently, pupils not only persevere, challenge themselves and understand others but can explain how they do so. Everyone understands that these positive attitudes are skills for life.” Ofsted

Our classrooms

“Staff working in the early years are passionate and knowledgeable about how the very youngest children learn well. Excellent relationships with parents mean that parents feel well supported in helping their child at home. Children learn exceptionally well in the early years. This is because adults establish a purposeful learning environment. With effective teaching and support, children become creative and critical thinkers.” – Ofsted

School readiness

What really matters is making sure a child is able to start school ready to learn, able to make friends and play, ready to ask for what they need and say what they think. These are critical foundations for really getting the best out of school.

Getting ready to start school – Independence

Friends of School

About the Friends

The Friends of Bromley Heath Infant School (FOS) would like to take this opportunity to tell everyone that the school fundraising events calendar for 2023-24 is now open. The calendar is due to be held throughout this school year. FOS is a fundraising group with charity status set up in 2015, which cannot be financed through normal school funds. We organise fun events throughout the year and your help in organising and running these events is a great way for you to support this, get to know the school and other parents.

The committee meet about once a month at school during the evening. We usually have sub co

the workload more evenly. If you would like more information or would like to join, please see c

bhifos@googlemail.com or leave a message for us in the FOS tray in the school office. There

BHIS FOS NEWS

Term 4

March 2026

Thank you from Friends of School

Term 4 was a lot quieter on the Friends of School front, with only one event - the Valentines Disco. Thank you to the many parent volunteers who stayed - we hope your children had a great time!

The Valentines Disco raised £243.19

Fundraising spend

With your help we have been able to provide 6 visualisers (one for each classroom) giving teachers the ability to share live views of books, objects, or student work on the screen.

Fundraising plans

We are continuing to raise funds for 30 new iPads with charging trolley, costing around £10,000.

We previously funded a set in 2022 and they're used every day for play-projects, lessons and
