

Mrs Perry-Hodge's weekly update: T6 theme 'Looking Back, Looking Forward'

This week, we have had some lovely trips out for year one and two. In year one, the children enjoyed an outing to Winterbourne Medieval Barn, learning about how medieval people lived. They had a wool making workshop, trying out about how wool was made into clothes through felting. In a separate workshop, they tried on medieval clothes, food (pottage—mixed reviews); learnt how to sweep and do laundry using medieval methods. Yet again, the barn's volunteers praised the behaviour - telling us that everyone volunteers for BHI!

Year twos, following practising activities and relays in PE lessons, participated in the MAD Olympiad at Pomphrey Hill. First, as at sports day next week, the children threw, aimed, jumped and sprinted their way through a round robin of activities, scoring points for their teams (and working brilliantly together). After this - and a quick biscuit - we made our way to the track for the races, which very quickly got pretty exciting for us all. BHI Dolphin won silver in the egg and spoon final (well done Ned); BHI Leopard won gold for the sprint (amazing effort Nkosi) with Harry C also reaching the final in a very competitive race; BHI Dolphin won silver for the relay; BHI Leopard won gold for the relay; BHI Dolphin won silver overall, and BHI Leopard won gold overall. We were so proud of every child who all worked hard to be the best they could be (including if scoring due to injury!) and who also, when not in an event themselves or waiting their turn, cheered on their teammates. Well done year two - you were all brilliant and we are so proud of every single one of you. I will remember those big smiles for a long time.

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to –

ACING ATTENDANCE AND REDUCING LOST LEARNING TIME

Attendance is a significant national, education priority as rates of attendance still remain below pandemic numbers. Whilst attendance at BHI is generally good, we are noticing increasing numbers of term time holiday requests. For your information, attached is the local authority penalty notice information for families - this applies from five days of term time holiday within a ten week period (so from a week's holiday).

Some absence is unavoidable, including exceptional leave and illness (and we fully appreciate these incidences and are aware of individual children's situations); however, we ask that you avoid term time leave wherever possible as there is an impact on children's education from missed days and weeks in school. As an infant school, much of the learning is foundational and therefore important for future learning - and whilst our curriculum is carefully planned and sequenced, including 'loops of learning' to revisit key points, we cannot always recap learning from absences. The DFE's research shows a strong correlation between attendance in these early years and GCSE outcomes so whilst the children are young, their attendance has both short and long term impacts. Below illustrates how this adds up.

Thank you for your support with this.

YEAR ONE MEDIEVAL BARN TRIP

The MAD Olympiad - amazing work Y2!

Well done to Reggie who raised over £1000 for type 1 diabetes research!

Last weekend, Reggie took part in a sponsored walk aimed at raising awareness for type 1 diabetes and to raise funds for further research. He was a real trooper despite the warm weather and distance, walking for over an hour along with lots of other adults and children who have type 1 and raising over £1000. Here he is pictured walking and with a well-earned reward at the end.

Our 'Challenge Yourself Bear' advises children to set yourself goals and be confident; what a fantastic example of this Reggie is. Well done Reggie: we are all very proud of you.

A HUGE thank you to FOS for all your amazing work and efforts. The difference you make - and to all parents who contribute to events - is massive. Most recently, FOS have funded a second set of 30 ipads and trolley. We could not afford these, and other resources, without FOS efforts.

Much of the uniform is barely worn as children grow quickly so it is well worth (both for your pocket and the planet!) checking out the pre-loved sale ahead of September.
