

Mrs Perry-Hodge's weekly update. Term 1 theme: Where am I?

This week at BHI, we have been considering our 'Imagine Bear', encouraging children to 'think of lots of ideas and see where they go'. We teach them to share their ideas; to use and improve other peoples, and to learn from happy mistakes as these could take them in a different and improved direction.

We have loved seeing the EYFS children creating pre-writing shapes in different ways, whether through chalk, painting 'Imagine Bears', pens, pencils or physical movements. Already, we can see that this fun work is yielding results in the development of their hand-writing. Well done Giraffe and Zebra!

Following a writing theme, year one's 'Adventure Quest' this week has been based on 'Mouse's Wood': a lovely book that also helps them to recall seasons across the year in their science learning. Their 'missions' included writing descriptions of the mouse; writing accurately about the seasons; imagining another activity that Mouse could enjoy in summer, and creating a new route for him through the woods. Year two have also impressed in their writing, creating factual pieces about St Lucia, an island they are comparing to Bristol in their geography unit. Both the year one and two teams are delighted with the progress in their writing (and I may need to invest in some new headteacher stickers already!)

On Tuesday, we had our special Harvest Festival assembly. We read the book 'Be Kind', which considers how small acts of kindness can build and spread out into the community - and the world, and linked this to the individual items donated. Colin, and the band, from the Salvation Army then took the food to their foodbank, where it will already be helping those in need. Thank you to all of you at home and to Mrs Jenkins for organising. The children - and staff - loved hearing the brass band and in turn, the whole school performed 'Cauliflowers are Fluffy', which the band applauded.

Both the band and our Challenge Support Partner, who visited this week as part of the annual local authority monitoring, commented on the children's exceptional behaviour. This made us all very proud.

Bromley Bear award for brilliant behaviour at lunchtimes.

Our Three Golden Rules

We are respectful.

We are ready to learn.

We walk proudly.

Our 'Star Learners' are selected each week for outstanding behaviour and attitudes, having demonstrated our three rules at all points and been 'the best that we can be'. A huge well done and thank you to -

Tanay (Dolphins)

Eira (Leopards)

Tabby (Lions)

Lottie (Penguins)

Louis (Zebra)

Millie C (Giraffe)

The following children have been recognised as having been working especially hard this week to be 'the best that we can be'. Our Bromley Bears support children in developing personal attributes, with the aim of making successful lifelong learners.

✦ Tips for the Best Results ✦

DO ✓

- Bright, colourful Christmas designs that fill the A4 paper produce the best results.
- Use paint, felt tip, crayon, inks and coloured pencils.
- Use collage.
- Use glitter glue.
- Make sure any text is bold, legible and kept AWAY from the edges of the A4 paper.

DON'T ✗

- Please **DO NOT** use sprinkle glitter (glitter glue is fine) - it has a tendency to fall off and end up on other children's artwork and our scanners!
- If you are doing collage, please **MAKE SURE ALL ITEMS ARE FIRMLY STUCK DOWN TO STOP THEM FALLING OFF**
- Avoid metallic finishes over large areas.
- Pale coloured pencils on a white

Koala Club (wrap around care) runs Monday to Friday mornings 7:45-8:45 and Monday to Thursday afternoons 3:15-6:00.

Breakfast Koala Club offers a full range of breakfast options; however Koala Tea Club offers a snack and so children will need a meal when they return home.

If there are no available spaces to book on the app, please contact our admin

team directly. If you and your child would like to trial a day, Friday breakfast club is our quietest session.

We do not offer a Friday afternoon Koala Club, as we had so little demand that it would have impacted the school budget to run it. However, there is an option to access Oldbury Court after school club on Friday afternoons if this is something you need. They would collect the children from site (also open for children in the junior school). Please note that both morning and afternoon are offered as BHJ does not run a Friday morning club; however, you can book your child into Friday morning Koala Club at BHI as usual at BHI.

NO NUTS NO SESAME SEEDS

A reminder that we have children with nut and sesame allergies in school (in different classes and year groups), for whom exposure to nuts and sesame has serious consequences. Please do not send nuts or sesame seeds into school or any product containing them. For clarity, this is all nuts, including peanuts, almonds, brazil nuts, cashews, cashews, hazelnuts, macadamia, pecans, pistachios, walnuts and chestnuts. Pine nuts and sesame seeds, whilst both seeds, cause the same reaction as nuts and so are also included as foods that cannot come into school.

**Thank you for your help
in keeping all children
safe.**

We ask that you check all packaging carefully for any snacks/ packed lunches so that products containing any nuts, pine nuts or sesame seeds do not make their way in. It is not possible to name all products containing nuts, pine nuts or sesame, but in particular, please note that chocolate spread generally contains nuts; breadsticks or rolls often contain sesame seeds; hummus contains sesame seeds (as paste - tahini), and pesto generally contains pine nuts or cashews.
