DT

We will be exploring different ways of joining materials and then choose the way we think would be best to make a sack for Stick Man to carry the presents with Santa. We will try out our bags and evaluate them.

Wow! event

We will start our topic with an exciting forest school morning.

Time to shine

We will be impressing you all with our KS1 Christmas production.

PE

We will be following the Get Set 4 PE scheme completing the dance and fitness units. This includes learning dance moves and putting together routines around the themes of weather and pirates. We will also learn how exercise helps you be strong and healthy.

Art

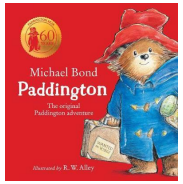

We will be exploring 3D sculpture using paper. We will use the different techniques we learn to create various sculptural paper art.

Let's Celebrate!

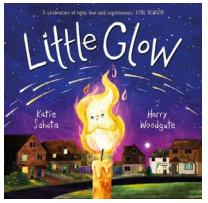

RE/PSHE

How and why do we celebrate special and sacred times? We will be taking part in a Christmas experience with Christchurch.
We will be celebrating differences.

History

During Remembrance day we will be thinking about World War 1 and 2, as well as a range of other significant events from the past and the story behind Bonfire Night.

Maths

We will be focusing on addition and subtraction beginning with concrete objects, then moving onto drawing and number lines. We will also recap one more/one less and counting on with numbers to 20. We will also be learning tens and ones and using this to compare and order numbers.

English

We will be looking at 'The Gunpowder Plot' and we will be finding out about Guy Fawkes and the events of November 5th.
Little Glow will help us learn about some other celebrations. Our Fiction books will inspire us to write our own stories. We will be focusing on using 'and' to join words and sentences and using capital letters for names or people and places.

Computing

We will be recapping our learning about online safety and using the iPads to create firework pictures.
