PSHE

We will be celebrating our differences and thinking about the dangers of making assumptions and stereotyping. We will also be thinking about our own well being and how we can look after our physical and emotional health.

Wow

We are also excited to meet Jonathan and his animals Thursday 20th November to help us learn about characteristics of living things.

Time to shine

We will be inviting you to come and join in our Christmas celebrations – Year 2 Performance Tuesday 16th December 2:00pm.

PE- Fitness

Pupils will take part in a range of activities to develop agility, balance, co-ordination , speed and stamina. They will develop perseverance and show determination to work for longer periods of time.

Maths

We will be learning about addition and subtraction of single digits by counting on and back and using more formal column methods for two digit numbers.
We will also be starting our Super Maths Quizzes in term 2.

Science

We will be finding out about animals- including humans, learning how to stay healthy, and about life cycles and food chains.

RE

We will be learning about the Jewish faith and comparing some Jewish festivals to Christian ones such as Christmas.

English

We will be writing stories and non-fiction pieces. Our key text will be The Last Stop on the Reindeer Express by Maudie Powell Tuck and Karl James Mountford. We will also be looking at The Little Hen and The Great War and using it in our learning about Remembrance. We will be learning to identify the correct digraph to use when there are several alternative spellings. We will be continuing to use conjunctions to extend our sentences and learning how to improve them using adjectives. We will be starting spelling tests every week as we start to look at different spelling rules.

History

We will be learning about the significance of Remembrance Day, thinking about how and why we remember this.

Music

We will be developing our ability to listen and appraise, sing and play the glockenspiel.

DT

This term we will be learning to measure, mark, cut, join and assemble when we make our Christmas cards and chop, slice, grate and mix when we create our own healthy pasta salad.
